Emerging Clinical Issues in Infectious Diseases 2017
Infectious Disease Association of California
32nd Annual Spring Symposium

May 6-7, 2017
Westin Hotel, Long Beach, CA

This Activity has been approved for AMA PRA Category 1 Credit™
Applicable CEUs for Pharmacists and Nurses
The Infectious Disease Association of California (IDAC) is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians. IDAC takes responsibility for the content, quality, and scientific integrity of this CME activity.

Physicians: IDAC designates this educational activity for a maximum of 9.0 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity. This credit may also be applied to the CMA Certification in Continuing Medical Education I.

Pharmacists: Pharmacists may use courses which have been approved for continuing education by the Medical Board of California towards their California continuing education requirement, (Section 1732.2(b) of the California Code of Regulations).

Nurses: The California APIC Coordinating Council designates this educational activity for a maximum of 9.0 CEU hours.

About IDAC

Founded in 1985, the Infectious Disease Association of California is a non-profit organization (Tax ID # 95-4106813), serving the educational needs of medical professionals in California with an interest in Clinical Infectious Diseases/HIV. IDAC is a regional society affiliated with the Infectious Diseases Society of America and the HIV Medical Association, as well as a recognized specialty society of the California Medical Association. IDAC conducts three annual symposia, special topic symposia, and research addressing clinical and business issues pertaining to the practice of Infectious Diseases, as well as operates an Internet web site, e-mail network, and a Speakers Bureau.

Full Membership is open to physicians practicing in California. Associate Membership is open to physicians practicing outside California, pharmacists, Ph.D.s, R.N.s, infection control practitioners, and microbiologists. Dues are $125 per year. Membership is also available to I.D. Fellows-in-Training in California at no charge.

About CACC

Founded in 1978, the California APIC Coordinating Council (CACC) is a statewide steering committee for California’s local APIC chapters, representing the collective interests of Infection Preventionists throughout the state. CACC’s mission is to legislate, communicate, and educate its members on issues related to infection control and provide input to the national APIC organization. More information on CACC is available at the website: www.caapic.org.
The Infectious Disease Association of California (IDAC), in conjunction with the California APIC Coordinating Council, hosts its 32nd annual Spring Symposium on Saturday & Sunday, May 6-7, 2017. The Spring Symposium mixes the discussion of clinical infectious disease topics, with time to enjoy the destination and socialize with colleagues and their families.

This year’s event takes place at The Westin Hotel in Long Beach, CA. As presented within this brochure, it will consist of 9 CME sessions, a Saturday night Reception and Banquet, and Break-Out sessions for physicians, pharmacists, and infection control practitioners.

TARGET AUDIENCE
This activity is designed to meet the educational needs of physicians, pharmacists, researchers, infection control practitioners/nurses, and microbiologists with an interest in infectious diseases, HIV medicine, and infection control.

CURRICULAR GOALS & OBJECTIVES
Upon completion of this activity, the participant will be able to:
➤ Apply new recommendations for the diagnosis and treatment of Nontuberculous mycobacterial infections.
➤ Apply new recommendations for the diagnosis and treatment of Syphilis.
➤ Apply new recommendations for the treatment of Clostridium difficile Infections.
➤ Apply new recommendations for the diagnosis and treatment of international traveler’s diseases.
➤ Apply new recommendations for duration of antimicrobial therapy.
➤ Apply new recommendations for antimicrobial resistant Gram-Negative Bacteria.
➤ Apply new recommendations for eradicating antibiotic resistance.
➤ Apply new recommendations for managing HIV patients.
➤ Apply new recommendations for the diagnosis and treatment of Coccidioides mycosis.

DISCLOSURES
This symposium is supported by grants from commercial interests. List of supporting companies will be disclosed at the symposium.

CME topics and speakers are chosen independently of commercial interests. Speaker disclosures will be provided in the course syllabus, distributed at the symposium.

Saturday, May 6, 2017

7:30 AM  Registration Opens
Continental Breakfast
Industry Exhibits

8:20  Symposium Welcome
Francesca J. Torriani, M.D.
President, IDAC

8:30  Nontuberculous mycobacterial Infections: What’s in a Name?
Charles L. Daley, M.D.
Professor of Medicine,
National Jewish Health and
The University of Colorado,
Denver
Chief, Division of Mycobacterial
and Respiratory Infections
National Jewish Health
Denver, CO

9:30  Break
Industry Exhibits

10:00  Syphilis Update
Helene Calvet, M.D.
Deputy County Health Officer
Orange County Health Care
Agency
Santa Ana, CA

11:00  Lessons Learned on the Road to Narrow Spectrum Therapy of C. difficile Infection
Thomas Louie, M.D.
Clinical Professor of Medicine,
University of Calgary
Infection Prevention & Control Officer, Alberta
Health Services
Alberta, Canada

12:30 PM  Break Out Sessions

1:15 PM  Cruise Ship Medicine: Infectious Diseases in International Travelers
Grant Tarling M.D., M.P.H.
Senior Vice President and Chief Medical Officer,
Health Services, Holland America Group

2:15  Break / Industry Exhibits

2:30  The New Antibiotic Mantra: “Shorter Is Better”
Bradley Spellberg, MD
Professor of Clinical Medicine
Associate Dean for Clinical Affairs (LAC+USC)
University of Southern California
Los Angeles, CA

3:30  New Agents Targeted for Serious and Urgent Antimicrobial Resistance Threats in Gram-Negative Bacteria
Michael N. Dudley, Pharm.D.
Senior Vice President and Head, R&D
Co-Leader, Infectious Diseases Global Innovation Group
The Medicines Company
San Diego, CA

4:30  Symposium Ends

6:00  Reception & Banquet
King’s Fish House
Role of the Medical Examiner in Los Angeles County from Medical Mysteries to Celebrity Cases
Lakshmanan Sathyavagiswaran M.D.
Consultant in Infectious Diseases/Forensic Pathology Medicine
Clinical Professor of Medicine and Pathology at Keck School of Medicine USC
Los Angeles County Chief Medical Examiner-Coroner/Director (Retired)
REGISTRATION
Registration will include sessions, continental breakfast each day, Saturday buffet lunch, exhibits, attendee packet and resources, and attendance/CME certificate.

Saturday night Reception, Banquet, and After Dinner Speaker at King’s Fish House is $60 per person. Entree Choices include Steak, Salmon, Chicken, or Vegetarian Pasta.

Registration fees are listed on page 7. Register as soon as possible, as attendance is limited.

SYMPOSIUM CANCELLATION POLICY
Symposium registration fees may be refunded (minus a $20 service fee), if written notification is received by April 26, 2017.

AQUARIUM OF THE PACIFIC
Visit the Long Beach Aquarium of the Pacific for only $9.00 (regular price is $29.95) after 12:00 pm, when you present your symposium badge at the ticket window. Offer is limited to one discounted admission per badgeholder.
ACCOMMODATIONS
Overlooking the Pacific Ocean, Long Beach is Southern California’s newest coastal destination, combining big city conveniences with the relaxed atmosphere of an ocean-side community. The scenic downtown and waterfront marina offer a variety of shopping, restaurants, and entertainment options. Among the attractions are The Queen Mary ocean liner, the Aquarium of the Pacific, The Pike at Rainbow Harbor, the Museum of Latin American Art, the Long Beach Museum of Art, cruises of Long Beach Harbor; and gondola rides of the Naples canals. Also, shuttle boats to Catalina Island leave on a regular basis from Shoreline Park. Most venues are within walking distance, or the Passport shuttle buses provide free transportation around the city. For more information about Long Beach, visit the web site: www.visitlongbeach.com.

HOTEL RESERVATIONS
The symposium takes place at the Westin Long Beach Hotel. A limited block of hotel rooms has been reserved for the Symposium, at the special rate of $189+tax per night (single/double); additional persons are $25 each. To guarantee your room reservation at this special rate, use the Registration Link on www.idac.org/upcoming.php or call: (562) 436-3000 by April 7, 2017. After that date, rooms will only be available on an “as available basis” at current rates and should be booked directly with the hotel. Any reservation that is not canceled at least 72 hours prior to arrival will be charged one night room and tax. All cancellations must obtain a cancellation number.

The family can enjoy themselves in the hotel’s outdoor swimming pool or utilize the WestinWorkout Fitness Studio. The Grill Restaurant offers diverse contemporary cuisine and specialty brunches, while the Lobby Lounge is ideal for dessert, cocktails, and evening repose.

For more information about the Westin, visit the web site: www.westin.com/longbeach or call: (562) 436-3000.

LOCATION/PARKING
The Westin Hotel is located at 333 East Ocean Blvd. in Long Beach, CA. Day parking is $10 for self-parking and $15 for valet parking per day. Overnight parking for hotel guests is $25 for self parking and $27 for valet. In addition, there is street parking and public parking lots within walking distance of the hotel.

TRANSPORTATION
Driving Instructions: Detailed driving instructions will be provided with confirmation.

Air Travel: Long Beach is only 24 miles from Los Angeles International Airport (LAX), which offers direct flights to most major cities in the world. Long Beach also has its own airport (LGB), served primarily by JetBlue. The benefit of LGB is that it does not have the congestion of LAX.

Airport Shuttle: Shuttle service from LAX to the Westin Hotel is available through Prime Time Shuttle: $18 each way. To make a shuttle reservation, visit the web site: www.primetimeshuttle.com or call: (800) 599-9990.
