

# 2010 Fall Symposium

October 9, 2010  
Airport Marriott Hotel  
Long Beach, CA

This activity has been approved for AMA PRA Category 1 Credit™

**IDAC Council:**  
Rasha Al-Kuran, M.D.  
Raymond Y.W. Chinn M.D.  
John McCarthy, M.D.  
Francesca J. Torriani, M.D.  
Jon F. Willen, M.D.

**IDAC Executive Committee:**

Bonnie V. Bock, M.D., *President*  
Norman J. Waecker, Jr., M.D., *Vice President*  
Gregory L. Strayer, M.D., *Secretary/Treasurer*  
Ronald J. Goldman, Ph.D., *Executive Director*

**IDAC CME Committee:**

Barry Statner, M.D., *Chair*  
Bonnie V. Bock, M.D.  
Michael Butera, M.D.  
Ellie J.C. Goldstein, M.D.  
Arash Heidari, M.D.  
Royce H. Johnson, M.D.  
John McCarthy, M.D.  
Melvin Scheer, M.D.  
Ronald J. Goldman, Ph.D.

## ACCREDITATION

The Infectious Disease Association of California (IDAC) is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians. IDAC takes responsibility for the content, quality, and scientific integrity of this CME activity.

IDAC is providing CME credit for five of the sessions of this symposium. CME credit for the HIV session is being provided by Rush University Medical Center for Physicians, the University of Florida College of Pharmacy for pharmacists, and the Association of Nurses in AIDS Care for nurse/nurse practitioners. See CME statements on pages 4-5.

## DISCLOSURES

This symposium is supported by grants from commercial interests. List of supporting companies will be available at the web site: [www.idac.org](http://www.idac.org) and disclosed at the symposium.

Topics and speakers are chosen independently of commercial interests. Speaker disclosures will be provided in the course syllabus, distributed at the symposium.

## ABOUT IDAC

Founded in 1985, the Infectious Disease Association of California is a non-profit organization (Tax ID # 95-4106813), serving the educational needs of medical doctors in California with an interest in Clinical Infectious Diseases. IDAC is a regional society affiliated with the Infectious Diseases Society of America and the HIV Medical Association, as well as a recognized specialty society of the California Medical Association. IDAC conducts two symposia per year, publishes a quarterly newsletter, conducts research addressing clinical and business issues pertaining to the practice of Infectious Diseases, operates an Internet web site and e-mail network, and coordinates a Speakers Bureau.

Full Membership is open to physicians practicing in California. Associate Membership is open to physicians practicing outside California, pharmacists, and Ph.D.s. Infection Control Practitioners, and Microbiologists. Dues are \$125 per year. Membership is also available to I.D. Fellows-in-Training in California at no charge.

# 25th Annual IDAC Fall Symposium

October 9, 2010—Marriott Hotel, Long Beach, CA

The **Infectious Disease Association of California** (IDAC) hosts its 25th annual **IDAC Fall Symposium** on Saturday, October 9, 2010, at the Airport Marriott Hotel, 4700 Airport Plaza Drive, Long Beach, CA 90015.

As described in this brochure, the lecture program will address:

- **Procalcitonin: Marker of Bacterial Infection & Antibiotic Stewardship**
- **Osteomyelitis and Prosthetic Joint Infections**
- **Hepatitis B**
- **HIV/AIDS Therapy**
- **Pertussis**
- **Local Fascinating Cases**

In addition, the IDAC business meeting, conducted over a lunch buffet, will address issues related to the practice of clinical infectious diseases.

Our annual **I.D. Fellows Mentoring Session** will follow the formal program. This is an informal round table discussion for fellows to interact with IDAC members, addressing questions about opportunities in private clinical practice. In addition, **I.D. Pharmacists** will conduct a break out session.

### TARGET AUDIENCE

This activity is designed to meet the educational needs of physicians, pharmacists, researchers, infection control personnel, and microbiologists with an interest in infectious diseases/HIV.

### CURRICULAR GOALS & OBJECTIVES

Provide recommendations in the diagnosis, screening, and treatment of Osteomyelitis and Prosthetic Joint Infections, Hepatitis B, HIV/AIDS Therapy, and Pertussis, as well as exploring the utilization of Procalcitonin for use in antibiotic stewardship. In addition, further topics will be discussed in our annual *Local Fascinating Cases* session.

Upon completion of this activity, participants will be able to:

- Decide if Procalcitonin should be implemented into the antibiotic stewardship program at their medical facilities.
- Apply new recommendations for the diagnosis, screening, and treatment of Osteomyelitis and Prosthetic Joint Infections.
- Apply new recommendations for diagnosis, screening, and treatment of Hepatitis B.
- Apply new recommendations for diagnosis, screening, and treatment of HIV/AIDS.
- Apply new recommendations for diagnosis, screening, and treatment of Pertussis.
- Apply new recommendations for diagnosis, screening, and treatment of interesting local cases.

More specific objectives are stated in the agenda.

7:30 am	<b>Registration/Exhibits/Continental Breakfast</b>	1:15 pm	<b>Assessing Best Practices &amp; Prevention in HIV/AIDS Therapy: Hot Topics from IAC &amp; ICAAC **</b>
8:30 am	<b>Opening Remarks</b> <b>Bonnie V. Bock, M.D.</b> <i>President, IDAC</i>		<b>Geeta Gupta, M.D.</b> <i>Professor of Medicine, UC Irvine School of Medicine Medical Director, UCI AIDS Education and Training Center Program Director, Infectious Diseases, UCI School of Medicine Orange, CA</i>
8:40 am	<b>Procalcitonin: Marker of Bacterial Infection, Disease Severity, and for Guidance of Antibiotic Therapy*</b> <b>Philipp Schuetz, M.D.</b> <i>Attending Physician, University Hospital, Basel Switzerland Beth Israel Deaconess Medical Center, Boston, MA Lead author of JAMA article (2009, Vol. 302, No. 10: 1059-1066)</i> <b>Objective:</b> Attendees will be able to (1) discuss the biochemistry and kinetics of Procalcitonin (PCT); (2) discuss the application of PCT in identifying patients with lower respiratory tract infections and sepsis; (3) discuss current trends in PCT utilization; and (4) discuss the application of PCT as a marker for antibiotic stewardship.		<b>Objective:</b> Attendees will be able to: (1) discuss how recently presented data in antiretroviral therapy apply to clinical practice; (2) discuss significant development and strategies in antiretroviral therapy; (3) describe recent antiretroviral toxicity, drug interaction and side effect data, and strategies for management; and (4) implement strategies for prevention, particularly in minority communities.
9:40 am	<b>Morning Break/Industry Exhibits</b>	2:25 pm	<b>Whoop, There It Is! Pertussis Update 2010*</b> <b>Michele Cheung, M.D.</b> <i>Deputy Medical Director, Epidemiology Orange County Health Care Agency Santa Ana, CA</i>
10:00 am	<b>What's Hot in Osteomyelitis and Prosthetic Joint Infections*</b> <b>Elie F. Berbari, M.D.</b> <i>Associate Professor of Medicine, Mayo Clinic College of Medicine Chair, Infection Prevention and Control Research Committee Rochester, MN</i> <b>Objective:</b> Attendees will be able to: (1) discuss current controversies on the use of dental prophylaxis in patients with a joint arthroplasty; (2) discuss hot topics in prevention of SSI strategies in patients undergoing PJI; (3) use sonication, inflammation markers, and imaging techniques for the diagnosis of PJI; and (4) implement surgical and medical management of PJI.		<b>Objective:</b> Attendees will be able to: (1) describe the current trend in incidence of pertussis; (2) describe the populations at greatest risk for pertussis; (3) list the recommended methods to test for pertussis; and (4) describe a vaccination strategy to protect young infants from pertussis.
11:00 am	<b>Hepatitis B: Where We've Been and Where We're Going*</b> <b>Tram Tran, M.D.</b> <i>Medical Director, Liver Transplantation, Cedar Sinai Medical Center Associate Professor, UCLA School of Medicine Los Angeles, CA</i> <b>Objective:</b> Attendees will be able to: (1) implement current recommendations and guidelines for Hepatitis B screening and treatment; (2) incorporate current treatment options; and (3) discuss viral resistance issues in Hepatitis B.	3:30 pm	<b>Local Fascinating Cases*</b> <b>Objective:</b> Attendees will be presented with unusual case studies for diagnosis and interactive discussion.
Noon	<b>Lunch/Industry Exhibits</b>	4:30 pm	<b>Symposium Ends</b>
12:30 pm	<b>IDAC Business Meeting</b>	4:30 pm	<b>I.D. Fellow Mentoring Session</b> An informal round table discussion for fellows to interact with IDAC members, addressing questions about opportunities in private clinical practice.
		4:30 pm	<b>I.D. Pharmacist Break Out Session</b> An informal discussion of issues of particular interest to pharmacists with an interest in infectious diseases.

\* The Infectious Disease Association of California designates these educational activities for a maximum of 5.0 AMA PRA Category 1 Credit(s)<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity. This credit may also be applied to the CMA Certification in Continuing Medical Education.

\*\* Rush University Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Rush University Medical Center designates this educational activity for a maximum 1 AMA PRA Category 1 Credit<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The University of Florida College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education (UPN#0012-9999-10-013-L02-P). This activity is accredited for one hour of continuing education credit. Successful completion means that you must attend the entire session and complete the evaluation form.

The Association of Nurses in AIDS Care is an approved provider of continuing nursing education by the Virginia Nurses Association Continuing Education Approval Committee, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. This session is approved for 1.0 contact hour by the Association of Nurses in AIDS Care.

## 25th Annual IDAC Fall Symposium

### REGISTRATION

Pre-registration—including continental breakfast, sessions, lunch buffet, and breaks—is **FREE** for paid **2010 IDAC Members by October 1, 2010**. Member registration at the door is \$20. IDAC membership is open to all M.D.s, Pharm.D.s, Ph.D.s, and I.C.P.s with an interest in Infectious Diseases. Non-member registration is \$60.

There are several ways of registering. **IDAC Members** may register at the IDAC web site—[www.idac.org](http://www.idac.org)—or by completing the enclosed Registration Form and faxing it to: (310) 216-9274 or mailing it to: IDAC, PO Box 66751, Los Angeles, CA 90066.

**Non-Members** may register at the IDAC Web Site—[www.idac.org](http://www.idac.org)—and pay by credit card through PayPal or by completing the enclosed Registration Form and mailing it with a check to IDAC, PO Box 66751, Los Angeles, CA 90066.

### CANCELLATION POLICY

Symposium registration will be refunded (minus \$10 service fee), if written notification is received by Friday, October 1, 2010.

### ACCOMMODATIONS

The symposium takes place at the Marriott Hotel in Long Beach, CA, adjacent to Long Beach Airport. A limited block of hotel rooms has been reserved for the Symposium, at the special rate of \$129+tax per night (single/double). To guarantee your room reservation at this special rate, the completed Registration Form must be received by IDAC by **September 24, 2010**. After that date, rooms will only be available on an "as available basis" at current rates and should be booked directly with the hotel. Any reservation that is not canceled by 6pm of arrival date will be charged one night room and tax. All cancellations should be made directly with the hotel and a cancellation number must be obtained.

**Hotel reservations require faxing Registration Form with credit card information to: (310) 216-9274 or mailed to IDAC, PO Box 66751, Los Angeles, CA 90066.**

The Marriott offers an outdoor swimming pool, fitness center, and three restaurants, plus a Starbucks. Five golf courses are nearby. For more information about the Marriott, visit the web site: [www.marriott.com/hotels/travel/lgblb-long-beach-marriott/](http://www.marriott.com/hotels/travel/lgblb-long-beach-marriott/) or call: (562) 425-5210.

### LOCATION/PARKING

The **Marriott Hotel** is located at 4700 Airport Plaza Drive, Long Beach, CA, just off the 405 Freeway at Lakewood. Driving instructions will be provided with your *Registration Confirmation*. Parking is free.

### TRANSPORTATION

Long Beach Airport (LGB) offers air service to/from 18 cities, with the primary carrier being JetBlue. The hotel offers a courtesy van to LGB. Los Angeles International Airport (LAX) is 22 miles away. Taxi fare is approximately \$50 each way. Prime Time Shuttle can provide van transportation from LAX for \$16 each way. Prime Time Shuttle reservations can be made at the web site: [www.primetime-shuttle.com](http://www.primetime-shuttle.com) or by calling: (800) 733-8267.
